Dragon City Cheats often carry monsters to the end on battlefields but once they are exhausted they will not be able to return to battlefields for a long time. On the contrary, Dragon City hacks like to run away but they will come back soon after each run. The cheat that loves its owner will try to divert the monster when the hunter is in danger. The pacifists see through all the conflicts in the world. Dragon City Cheats will neither fight nor run away when facing monsters but collect Points on their own. This working Dragon City cheat is suitable for iOS users who don't want to have human verification at all. Once upon a time a new game appeared to lay claim to the title of the most charming Match 3 puzzle game in the world. Welcome to Dragon City.
